Re: 1st Annual Women's Conference
S.H.A.R.E. (Sister's Having the Ability to Restore and Encourage)

It was a pleasure having you to be our inspirational/motivational speaker at our 1st Annual Women's Conference on Saturday June 18, 2011. I had heard you speak at another engagement about a year prior to our conference. When God spoke to me about having this conference to help women who have been and are being abused, you were the first person who came to my mind.

We truly appreciate you sharing with us so that we may share with others. Since the conference, everyone that I spoke to about it said they really enjoyed your warm free spirit as well as your testimony and story. Some were really in awe after hearing what you had to endure, but through the midst of it all, God kept you.

Again, the Women's Ministry loves you and we thank you for coming and being a part of our 1st Annual Conference.

God Bless You,

Altheia M. Tice
