College Festival Highlights!!!

Opening Drum Line

Get there early so that you don't miss the grand entrance of our college reps as they march into the auditorium to the exciting sound of an HBCU Drum Line!

Empowerment Seminars

Come out and meet two time Hall of Famer and former Dallas Cowboy, Timmy Newsome during the "Black College Sports" Seminar; HBCU X-Box game developer Jacqueline Beauchamp will join the "STEM" panel; Mildred Muhammad, author of 'Scared Silent', discusses her book on domestic violence as part of the "Literally Speaking" seminar. In addition to our ever popular "Timely Tips for Parents", also featured this year will be the following new seminars: "Show Me the Money", "Your GPS to Success", and "A + B = College".

(Note: All Seminar Participants are Products of HBCUs)

On-Site Admissions

High school seniors once again have the opportunity to interview with college representatives and get admitted on-site. Some highly qualified students may even be offered scholarships on the spot!

HBCU X-Box Game Demonstration

All throughout the day on the festival floor you will have an opportunity to try this electrifying game. This game is filled with excitement that only an HBCU experience can give with a football game that includes a half time show. After all, what's a football game at an HBCU without the half time show????!!

Step Show Finale

End the day on a high note with the exciting moves of representatives from various Greek organizations as they high step as only they can do.

See you at the College Festival!!!
