Dear Mildred:

On behalf of the 2011 Diverse Voices Family Violence Conference Steering Committee, I want to thank you for your participation at our Conference on November 14-15, 2011. Once again, the Diverse Voices Conference was a great success and the feedback we received from delegates was that it was one of the best events that they have attended.

Many comments reflected how they were very inspired and moved by your message. As a keynote speaker, you captivated the audience with your compelling story on how you overcame personal experiences with family violence and later became an advocate for victims.

Thank you for helping to inspire our conference delegates with a renewal of energy to continue the work that they do in their communities.

All the best,

Linda Lai  
Co-Chair, Diverse Voices
